

The 1st Cerebral Palsy Integrated Pathway UK Meeting

Friday 12 June 2020 8:30—17:00

St George's Hall, St George's Place, Liverpool L1 1JJ

It has now been 10 years since *The 1st International Meeting on the Management of the Hip in Cerebral Palsy*. Significant progress has been made during this time.

The **Cerebral Palsy Integrated Pathway National Network (CPIP NN)** are pleased to announce another 'must not miss' event aimed at orthopaedic surgeons, physiotherapists, paediatric neurologists, community paediatricians and all other health care professionals involved with the care and treatment of children with CP.

The **purpose** of this meeting is to examine the evidence, inform and update clinicians, share good practice, facilitate equity of care and identify areas for further research.

Speakers include Mr James Robb Dr Gunnar Hagglund Dr Charlie Fairhurst

Mr Alf Bass Ms Lesley Harper Members of CPIP/S with further speakers to be added

Early Bird Special - until 31 March 2020

AHPs: £60 Doctors: £100

After 1 April 2020

AHPs - £90 Doctors: £150

Issues to be examined will include:

- What do we know now that we did not know in 2010?
- What is the current state of hip surveillance in the UK?
- Why an Integrated Pathway and not just hip surveillance?
- How can we secure funding? Impact of CQUIN in England
- The importance of the MDT when implementing a Patient Management System
- Overcoming practical difficulties – Information governance/GDPR, regional boundaries, unlinked systems and more

Refreshments and lunch included
