

Principles and Practice of Ponseti technique in Clubfoot management

LEVEL 2 - Advanced Clubfoot Management

A 2-day training course covering principles and practice of Ponseti treatment for correction of clubfoot deformity. The Level 2 course is for clinicians who have been practising Ponseti for more than 6 months or have treated more than 20 cases and who have done a Level 1 course or equivalent.

There will be practical training as well as an opportunity for discussion, covering difficult clinical issues and problem solving. If you have an interesting case for discussion, or an abstract that you would like to present, please email christinedouglas1@nhs.net with details in advance of the course.

WHEN: 13th and 14th November 2019 (09.30-17.00)

WHERE: The Post Graduate Education Centre, The Royal National Orthopaedic Hospital (RNOH), Stanmore, Middlesex HA7 4LP

COST: £180.00 for Allied Health Professionals

£200.00 for Medical Professionals and Trainees

Course costs include lunch, refreshments and course materials produced by Global Clubfoot Initiative.

FACULTY: will include:

Ms Sally Tennant, Consultant Paediatric Orthopaedic Surgeon, RNOH

Ms Denise Watson, Paediatric Orthopaedic Paediatric Physiotherapist, Chelsea and Westminster NHS Trust

Ms Christine Douglas, Paediatric Extended Scope Physiotherapist, RNOH
